

Body Language

Eric Bellinger

Now that you're here
I've got nothing to say baby
'Cause everything I was gon' tell you
I'd rather do. to you
Let down your hair
And those underwear too
'Cause I don't want no distractions
While I'm kissing on you
Why talk when I can say it with my actions
Why speak when I can show you with some passion
This is more than just a physical attraction
So let's conversate
Using our body language
Body language
Body language
Body language
No don't speak, no don't speak mommy
Talk to me, talk to me using your body
I'm listening, listening I hear you calling
Talk to me, talk to me using your body language
Now that's it's in
I don't want it to end now
'Cause baby I haven't tried all of my tricks on you
Now it's all you babe
What you gonna do babe
'Cause I can be sure part of you is gonna have to scream my name
Oh no
Why talk when I can say it with my actions
Why speak when I can show you with some passion
This is more than just a physical attraction
So let's conversate
Using our body language
Body language
Body language
Body language
No don't speak, no don't speak mommy
Talk to me, talk to me using your body
I'm listening, listening I hear you calling
Talk to me, talk to me using your body language
You like that?
You know I do
I ain't even said a word
You ain't have to
True.
