

# Don't Give A Damn

Eric Burdon

Lost in the city  
So cold and so dirty  
It's a sight that's not pretty for your pretty eyes  
Locked in this prison,  
Slaves to the system  
On the road to oblivion ... no future!

I don't care  
What they say  
Can't stay, no way  
I said no, no, no, no, no

Don't give a damn what your mama say  
Don't give a damn what your papa say  
Don't give a damn, I only give a damn about you  
Don't give a damn what the government say  
Don't give a damn what the sermon say  
Don't give a damn, I only give a damn about you.

Then terror we've been living  
Is of our own invention  
A wave of depression  
Is gonna keep you down  
There's a place beyond the city  
They say I'm only dreamin'  
But I know it's reality I've seen it in your pretty eyes  
I don't care, what they say  
We can't stay, no way  
I said no, no, no, no, no, no

No ... I don't give a damn what the authority say  
I don't give a damn what the history book say  
I don't give a damn  
I only give a damn about you girl  
I don't give a damn what your cards say  
I don't give a damn what your bumper say  
I only give a damn about you  
I don't give a damn what your mama say  
I don't give a damn what your papa say  
I don't give a damn what your sermon say  
I don't give a damn what your government say  
I don't give a damn, I only give a damn about you ...
