

i'll always be the one who makes you cry

Eric Hutchinson

there's not a reason
there's not a rhyme
i'm packing up a suitcase
in my mind

call up your family
and tell em goodbye

i'll always be the one
always be the one who makes you cry
said i'll always be the one
said i'll always be the one who makes you cry

thank you for being
and leading us blind
there's not another person
i could find

you were so perfect
i always tried

and i'll always be the one
always be the one who makes you cry
i'll always be the one
i'll always be the one who makes you cry

you told me "give me what ya got" and so i did
and was it all that bad, it wasn't all that bad
you told me "give me what ya got" and so i did
and was it all that bad, it wasn't all that bad

sometimes it's easy
sometimes it's not
i can never thank you
for what you taught

there's not a reason
there's not a rhyme

i'll always be the one
i'll always be the one who makes you cry
i'll always be the one
i'll always be the one who makes you cry
