

## Like A Song

Eric Paslay

Record turning in your head  
That you're always hummin' along to  
A melody that wraps around  
A rhythm there that gets a hold of you  
Turn it on, turn it up  
Makes you feel like fallin' in love

Move me baby  
Move me all night long  
You move me, baby  
Like a song

I can hear your high heel boots  
Layin' down that sweet southern groove  
The way you walk, the way you talk  
I can't help but sing along with you  
Yeah, 'cause you, oh

Move me baby  
Move me all night long  
You move me, baby  
Like a song, yeah

(Take it down, now, now, now, now)

Pretty Woman  
I'll Stand By You  
I Cross My Heart  
I Will Always Love You  
You Were Always On My Mind  
Brown-Eyed Girl  
I'll Walk The Line

Move me baby  
Move me all night long  
You move me, baby  
Like a song, like a song

Move me baby baby  
Move me all night long  
Move me, baby oh like a song, yeah

You move so fine
