## Niton (The Reason)

You are the reason why Years fly by, and I don't find The strength I need to grow I know, I know

Enemies, they stand in line I'm on my knees, and I can't find The words I to let you know I know, I know, I know

You are the reason why Years fly by, and I don't find The strength I need to grow I know, I know

Enemies, they stand in line I'm on my knees, and I can't find The words I to let you know I know, I know, I know

You are the reason why **Eric Prydz**
