

Night And Day

Erroll Garner

Cole Porter

Like the beat beat beat of the tom-tom
When the jungle shadows fall,
Like the tick tick tock of the stately clock
As it stands against the wall,
Like the drip drip drip of the raindrops
When the sun'r show'r is through,
So a voice within me keeps repeating
You-You-You
Night and day you are the one,
Only you beneath the moon and sun,
Whether near me or far
It's no matter, darling, where you are,
I think of you, night and day.
Day and night, why is it so
That this longing for you follows wherever I go?
In the roaring traffic's boom,
In the silence of my lonely room,
I think of you, night and day.
Night and day under the hide of me
There's an, oh, such a hungry yearning
Burning inside of me,
And its torment won't be through
Till you let me spent my life making love to you
Day and night, night and day.
