

Dreamcatcher

Escape With Romeo

Dreamcatcher, dreamcatcher
Catch me a dream
Dreamcatcher, dreamcatcher
Can you hear me scream?
Life is full of promises
The truth can not fulfill
Dreamcatcher, dreamcatcher
This is how i feel

Dreamcatcher, dreamcatcher
Catch me a happy face
Dreamcatcher, dreamcatcher
Don't let me drift in space
For the waves in which i'm drowning
On the waves that brought me here
Dreamcatcher, dreamcatcher
Don't leave me here

Let the sun shine forever
And let it shine on me
And I stop being blinded
And be as happy as can be
Dreamcatcher, dreamcatcher
Catch me a dream

Dreamcatcher, dreamcatcher
Can you hear me scream?
Dreamcatcher, dreamcatcher
Let me be lucky again
Because my dreams, they fly away so fast
So hold them if you can
I know you must be out there
Unlimited and free
Dreamcatcher, dreamcatcher
Save a dream for me

Let the sun shine forever
And let it shine on me
And I stop being blinded
And be as happy as can be
Dreamcatcher, dreamcatcher
Catch me a dream
Dreamcatcher, dreamcatcher
Can you hear me scream?

Let the sun shine forever
And let it shine on me
And I stop being blinded
As a dreamcatcher can be
