## Electric Callboy

I could watch you for a lifetime, you're my favorite  
movie  
A thousand endings, you mean everything to me  
I never know what's coming, forever fascinated  
Hope you don't stop running, to me 'cause I'll always  
be waiting

You are my cinema, I could watch you forever  
Action, thriller, I could watch you forever  
You are my cinema, a Hollywood treasure  
Love you just the way you are

My cinema, my cinema, my cinema  
Cinema, cinema, cinema

(3x)  
Get up get down,  
Lose that sound,  
My DJ gonna break it down

Get up get down,  
Lose that sound,  
Drop the bass

Stars spell out your name, like in a science-fiction  
drama  
Romance growing, like a flower in the summer  
You always keep me guessing, forever my wonder  
Hope you start undressing, all my dreams and take me  
under

You are my cinema, I could watch you forever  
Action, thriller, I could watch you forever  
You are my cinema, a Hollywood treasure  
Love you just the way you are

My cinema, my cinema, my cinema  
Cinema, cinema, cinema

(3x)  
Get up get down,  
Lose that sound,  
My DJ gonna break it down

Get up get down,  
Lose that sound,  
Drop the bass

My cinema

You are my cinema, I could watch you forever  
Action, thriller, I could watch you forever  
You are my cinema, a Hollywood treasure  
Love you just the way you are

My cinema, my cinema, my cinema  
Cinema, cinema, cinema
