Silence

Give me release Witness me I am outside Give me peace

Heaven holds a sense of wonder And I wanted to believe that I'd get caught up when the rage in me subsides

In this white wave I am sinking in this silence In this white wave in this silence I believe

I can't help this longing Comfort me I can't hold it all in If you won't let me

Heaven holds a sense of wonder And I wanted to believe that I'd get caught up when the rage in me subsides

In this white wave I am sinking in this silence In this white wave in this silence I believe I have seen you in this white wave you are silent You are breathing in this white wave I am free
