

Blue Mountain

Espers

Yonder stands blue mountain
Oh, yonder stands blue mountain
Oh, yonder stands my home
Oh, yonder stands my home

Where the blueberries are a-bloomin'
Where the blueberries are a-bloomin'
I'm gonna make some blueberry wine
I'm gonna make some blueberry wine

If I ever ride again
If I ever ride again
I'm riding back to my blueberry land
Well, I'm riding back to my blueberry land
