U ain't creepin and suggestin those freaky little things we could  
do cause the answers no.

Baby I got let u know, if and when the time comes for me and you  
sex is slow.

Wrap it up cause I ain't carryin your embryo, your starin at a  
women that would slap your arse to the fall.

You say I ain't right but you keep comin back cause this girl is  
tight,

You ain't spendin the night, uh uh after were done here it's back  
to the wife.

Yeah I know it feels so nice, swing by for some love and that  
It's so special all you get to get is just a touch.

My loves on overload, don't mean to boast but a kiss would make  
you overdose.

Hold me tight, hold me close, turn out the lights, knock you out,
