To The Ends Of The Earth

Esther Ofarim

To the ends of the earth, I'll fol-low my star To the ends of the earth, Just to be where you are I'll never be far behind, Who cares where the path my wind, As long as I find you

Though the Mel-o-dy dies, The song lingers on and a thousand good-byes won't convince me you're gone I'll fol-low my love, You'll never be free To the ends of the earth, Till you've given your love to me

[Repeat]
