

Epiphany

Eterna

Keep the fire inside burning
You have a place to go
Call all your friends today
There is a way to be fine

Are you ready for the show tonight?
The lights start to shine
You want to be free
The show has just begun

We have the key to
Make you fine
Living forever in paradise
Hear the music
Inside your soul

It's playing our song on the radio
You have a place to go
It's time for the new sensation
There's a way to be fine

Epiphany can be real
