

Final Warning

Eterna

The deceiver's coming To bring pain and suffering To take your
soul No more control

The nation's going blind The reasons you can't find Just darkne
ss No more dreams

Never, never forget You can find the way of light

The final warning Turn your eyes to the lord The time is coming
And the spirit will be your guide

People need salvation So many starvation If you can see You can
be free

Looking at the truth now The enemy is falling down If you can s
ee You really can be free
