

# Forgive Me

Eterna

What could be the closure  
If the wisdom of secret  
Is a mystery for the heart?  
What could be the closure  
If to meet Your mercy  
Is still in the past

It hurts in the deep of my soul  
The deception of weakness

I'm so lonely...  
Take care of me ...  
It's hurting deep inside ...  
I'm so lonely...  
Wash my sins...  
It's hurting deep inside ...  
The certain of the reason  
Immortality of passion.  
... So many broken hearts.

Put the strenght in my heart  
The certain of emotion...  
To find Your Mercy.

It hurts.  
I'm so ...
