

# Hurry Up

Eternal

Hurry up and come with me  
(Hmm yeah)  
Only love can be our destiny  
(Destiny)  
Hurry up and make it true  
Gotta find, gotta see, gotta make this reality

Baby we've been going through good and bad times  
I love that feeling  
It gives me peace within my mind  
We're in this together, so don't throw it all away  
Hear me when I say  
(I realise)  
I realise  
(Look in your eyes)  
Look in your eyes  
(I see the light)  
Baby in a special way

Hurry up and come with me  
(Hurry up)  
Only love can be our destiny  
(Only love can be)  
Hurry up and make it true  
Gotta find, gotta see, gotta make this reality

You've got to be real  
Open up, show me how you feel  
Free your mind  
Let my love come inside  
'Coz you and me got a love so free  
Baby don't you know?  
(Can't you see?)  
Can't you see?  
(How we could be?)  
How we could be?  
(Won't you be mine?)  
Baby everything will be fine

(Hurry up and come with me)  
Hurry up  
(Only love can be our destiny)  
Only love can be  
(Hurry up and make it true)  
Gotta find, gotta see, gotta make this reality  
Make this reality

(Hurry up and come with me)  
Hurry up  
(Only love can be our destiny)  
Only love can be  
(Hurry up and make it true)  
Gotta find, gotta see, gotta make this reality

(Can't wait 'till morning)  
Can't wait 'till morning now  
(That's how I'm feeling now)

That's how I'm feeling now  
(I'm tired of waiting)  
I don't wanna wait no more  
It could be true love, just me and you

(Hurry up and come with me)  
Come with me  
(Only love can be our destiny)  
Only love can be  
(Hurry up and make it true)  
Gotta find, gotta see, gotta make this reality

(Hurry up, hurry up)  
Hurry up  
(Hurry up, hurry up)  
(A very special love)  
Gotta make a move  
(Hurry up, hurry up)  
Gotta make a move  
(Hurry up, hurry up)  
You need this love  
It's not just loneliness  
(Hurry up and come with me)  
Hurry up  
(Only love can be our destiny)  
Only love can be  
(Hurry up and make it true)  
Gotta find, gotta see, gotta make this reality
