

# Anything to Say You're Mine

Etta James

Oh, oh, I'm so blue  
'Cause I'm worried over you  
Oh I, I sometimes wonder  
Why I never hear from you

You promised to write me  
Each and every day  
And I haven't heard from you  
Since you went away

Oh, oh, I sit by my window pane  
Hoping for a letter  
One that never came

My heart cries for just one little line  
Anything to say you're mine

Oh, oh...

Well I said a prayer  
Every night  
Hoping, hoping and praying  
Someday, someday you'd write

Oh, oh, my heart cries for one little line  
Anything to say you're mine
