

Cigarettes & Coffee

Etta James

It's early in the morning
About a quarter, a quarter to three
I'm sittin' here talkin' with my baby
Over cigarettes and coffee, now now
And to tell you that
Darling I've been so, been so satisfied
Honey since I met you
Oh baby, baby since I met you, ooh

All the places that I've been around
And all the good looking boys I've met
They just don't seem to fit in, no no
Knowing this is particularly sad, yeah, yeah yeah
But it seemed so natural, darling
That you and I are here
Just talking over cigarettes and drinking coffee, ooh now

And all my heart cries out
Love at last I've found you, ooh now
And honey, honey won't you let me
Just be my whole life, be my whole life around me
And while I complete, I complete my whole life
Oh it would be, oh I said it would be, yeah yeah yeah

If you would take things, take things under consideration
And walk down this hour with me
And I would love it, I would love it yeah

People, I say it's so early in the morning
Ooh, it's a quarter, a quarter to three
We're sittin' here, we're sittin' here talkin'
Talking over baby, over cigarettes,
Cigarettes and drinking coffee, now, now lord
And I'll like to show you, well
I've known nothing but good old joy, yeah
Now listen, since I met you, darling
Honey since I've met you, baby, baby yeah

I would love to have another drink of coffee, now baby, now
And please, darling, help me to smoke this one more cigarette, now
I don't want no cream or sugar
'Cause I've got you, babe, I got you darling
But just let me enjoy
Help me to enjoy
This good time, this good time we'll have, baby
Now listen
It's so early, early in the morning
So early, so early, early in the morning
And I got you
And you got me
And we got each other
And we don't, we don't want nothing but joy,
Joy, all nothing but joy
I got you
And you got me
I got you
And you got me

I got you
And you got me
You got me
And I got you
You got me
And I got you
You got me
And I got you baby
I got you baby
I got you
I got you
I got you
