

If I Can't Have You

Etta James

I don't want nobody
If I can't have you
Oh I can't love nobody
Unless I'm loving you

R: The way you hug me
The way you squeeze me
The way you kiss me
Ya ya ya ya ya ya ya ya
If I can't have you

I can't talk to nobody
Unless I'm talking to you
I don't wanna hold nobody
Unless I'm holding you

R:

I can't be kissing nobody
Unless I'm kissing you
I just don't... I just don't...
I just don't want to be bothered with nobody
Unless I'm bothered with you
