

It Must Be Your Love

Etta James

It must be your love
Or no love at all.
It must be your arms, baby,
Or no hug at all.
I find myself waiting
Each night for your call.

Now, people say,
Go on, girl, find someone new
But they just don't know
What I've found in you.
It must be your love
Or no love at all.

It must be your kiss
Or no kiss at all.
It's got to be your touch, baby
That I love so much.
But without your tender love and care
I'm surely gonna fall now.

And they keep on tryin' to tell me
To find someone else, girl.
But, oh, they just don't know
What I've found in you.
It must be your love, yeah,
Or no love at all.

I wouldn't think of living,
Oh I wouldn't think of making it
Without you.
I don't care what the people say
Oh, you got to, you got to feel
The same way too.
I'm gonna do all the things
I told ya, yeah.
Promise each day, each day
To be true.

It got to be your love
Got to, got to be your love
Got to be your love
No other love will do.
I ain't takin' no other love
I don't want
I not gonna have any love
But your love
Got to be...
