

# Light My Fire

Etta James

You know that it would be untrue.  
You know that I would be a liar  
if I was to say to you , ay,  
Girl we couldn't get much higher.  
Come on baby light my fire, come on baby light my fire.  
Try to set the night on fire. Mm-m,

The time for hesitation's through.  
There's no time to wallow in the mire  
Darling we could only lose  
and our love become a funeral pyre.  
Come on baby light my fire, come on baby light my fire.  
Try to set the night on fire.

Well, you know that it would be untrue  
and you know that I would be a liar  
if I was to go and tell you  
Mama we couldn't get much higher.  
Yeah, come on baby light my fire.  
Come on baby light my fire yeah  
Try to set the night on fire, ay hey-hey

Come on baby light, light my fire yeah  
Come on babe light my fire, don't you know it's alright?  
Light my fire, light my fire, light my fire  
Oh, light my fire, light my fire, light my fire, yeah girl  
Girl you better light my fire yeah,  
You better light, you better light, you better light my fire  
and we are going to get much higher

Oh-oh, come on girl,  
You know I love you girl, you know I need you babe  
Come on, Light, light, light, light my fire  
Light my fire, light my fire  
Light my fire, light my fire, light my fire  
Light, light, light, light, light my  
my, my, my fire  
Light, light, light, light, light my fire girl  
you better light my fire
