

# Love's Been Rough On Me

Etta James

They say time  
heals the broken heart  
days go by  
and the healing starts

They say life,  
life goes on  
I came through  
but I know they're wrong

I can't sleep  
I can't eat  
I don't seem to be able  
to get back on my feet

I can't run  
I can't hide  
and it's tearing me up  
inside  
oh have mercy baby  
love's been rough on me

I had love  
but it turned out wrong  
I had faith  
and when that was gone  
well at least,  
at least I had hope  
but you left me hanging  
at the end of my rope

I can't sleep  
I can't eat  
I don't seem to be able  
to get back on my feet

I can't run  
I can't hide  
and it's tearing me up  
inside  
oh mercy baby  
love's been rough on me  
have mercy mercy baby  
love's been rough on me
