

Stacked Deck

Etta James

Well, if you gonna play cards, baby
Well, don't you know you've got to deal some time
Well, if you gonna play cards, baby
Well, don't you know you've got to deal some time
Well listen to me, baby
And I'm gonna tell you how I deal mine

The Ace is for the first time that I met you
Duce that's the second time that there was no one but just us t
wo
Trey that's the third party, and darlin' you know his name
Four that's the fourth time that you tried to play that same ol
d game
Five is for five years that you used me for a clown
Six that's the sixth time that you tried to put me down
Well I'm holding out for the Seven, for the seven days in the w
eek
Well, eight that's the eighth hour, when you went out with your
sheik
Nine is for the nine years that I worked hard every day
Ten that's the tenth of the month, when you came every Friday t
o collect my pay
Well the Jack he's your lover, and you're using me for a goat
Queen that's you pretty mama and you're trying to cut my throat
Whoa, but the King that's me, Lord and I'm about to wear my cro
wn
So be careful pretty baby, you ain't dead when the deal goes do
wn

If you gonna play cards, baby
Don't you know you've got to deal some time
So listen to me Baby, that you ain't dead when the deal goes do
wn
