The Sky Is Crying

The sky is crying, Can you see the tears roll down the street. The sky is crying, Can you see the tears roll down the street. I've been looking for my baby And I've been wondering where can she be

I my baby early one morning She was walking on down the street I my baby early one morning She was walking on down the street You know it hurt me, hurt me so bad It made my poor heart skip a beat

I got a real, real fine feeling That my baby she don't love me no more I got a real, real fine feeling That my baby she don't love me no more You know the sky's been crying Can see you see the tears roll down my door **Etta James**
