

## Just Friends

Etta Jones

Just friends, lovers no more  
Just friends but not like before  
To think of what we've been, not to kiss again  
Seems like pretending, this isn't the ending

True friends drifting apart  
Two friends but one broken heart  
We loved, we laughed, we cried then suddenly love died  
The story ends and we're just friends

To think of what we've been, not to kiss again  
Seems like pretending, this isn't the ending

True friends drifting apart  
Two friends but one broken heart  
We loved, we laughed, we cried then suddenly love died  
The story ends and we're just friends
