

# Anywhere

Evanescence

**F#mi** **A** **E**  
1. Dear my love, haven't you wanted to be with me  
And dear my love, haven't you longed to be free  
I can't keep pretending that I don't even know you  
And at sweet night, you are my own  
**F#mi** **E**  
Take my hand

**A** **E** **F#mi**  
R: We're leaving here tonight  
**D** **C#mi**  
There's no need to tell anyone  
**Bmi** **E**  
They'd only hold us down  
**A** **E** **F#mi**  
So by the mornings light  
**D** **C#mi**  
We'll be half way to anywhere  
**Bmi** **E** **A** **A/As**  
Where love is more than just your name

2. I have dreamt of a place for you and I  
No one knows who we are there  
All I want is to give my life only to you  
I've dreamt so long I cannot dream anymore  
Let's run away, I'll take you there

R1: We're leaving here tonight  
There's no need to tell anyone  
They'd only hold us down  
So by the mornings light  
We'll be half way to anywhere  
Where no-one needs a reason

**Bmi** **C#mi**  
/: Forget this life  
**D**  
Come with me  
**E**  
Don't look back you're safe now  
**Bmi** **C#mi**  
Unlock your heart  
**D**  
Drop your guard  
**E**  
No one's left to stop you :/  
now

R: We're leaving here tonight...
