

# I Don't Know If It's Right

Evelyn "Champagne" King

I don't know if it's right  
To let you make love to me tonight  
I don't know if I should  
Give my love to you when I know you're no good

I've got to make sure it's alright  
If I should let you love me tonight  
Before I let you kiss me I got to get the situation in hand  
Cause I don't want you just to be another man, whoa, whoa, whoa

I don't know if it's right  
To let you make love to me tonight  
I don't know if I should  
Give my love to you when I know you're no good

People tell me that you really know the right things to say  
Especially when you're tryin to get your way  
Gotta be careful, gotta be smart, gotta watch out for my heart  
I don't want it to be broken right from the start, oh, oh, oh,  
oh

I don't know if it's right  
To let you make love to me tonight  
I don't know if I should  
Give my love to you when I know you're no good

Oh, baby  
Yeah... hey... hey...  
Oh, oh, oh, oh

I don't know if it's right  
To let you make love to me tonight  
I don't know if I should  
Give my love to you when I know you're no good

I don't know if I should  
Give it to you when I know you're no good  
If it's right  
I just don't know, no, hey... hey...
