Morning, this morning the curtains are shut I'd ring you in the morning but the phone's been cut Can you hear me, I've been calling all day? Can you hear me?

The radio reporter said the line's all dead He told me that I oughta write a letter instead Can you hear me, I've been calling all day? Can you hear me?

Yes, I'd wish they'd fix the wires 'cause my baby don't know That I'm leaving in the morning and I'm ready to go
Can you hear me, can you hear me at all?
Gotta get the operator make a telephone call

If I write a letter it won't get there in time I'll only reach you, baby, on the telephone line Can you hear me, I've been calling all day? Can you hear me?

My car's all ready and my bags are all packed I'm late already and I won't be back Can you hear me, I've been calling all day? Can you hear me?

I'd wish they'd fix the wires 'cause my baby don't know That I'm leaving in the morning and I'm ready to go Can you hear me, can you hear me at all?
