

Black Jesus

Everlast

G **B**
They call me white devil, black Jesus,
A **F**
Heaven closes, hell freezes,
G **B**
Ego's trippin', scripts keep flippin'
A **F**
Bloods keep bloodin', crips keep cripin'

Time keeps slippin' and I keep fallin'
I can't see but I hear them callin',
Ballers ballin', players playin',
Haters fightin', righteous praying

Dawn breaking, Manhattan keeps making,
Brooklyn keeps takin' shook ones keep shakin',
No time for fakin', know what I mean
I ain't choppin' no pies, just risin' like cream

If you're diggin' the scene, if you feelin' the vibes,
Throw your hands in the air, scream out you're alive,

Singin' na na nana na na na
Singin' na na nana na na na
G **B**
Singin' na na nana na na na
A -
Singin' na na nana na na na

They call me, Black Jesus, white Moses,
Heaven freezes, hell closes
B.Boy poses and punk rock chicks,
The kids are all right but I need my fix

If you're diggin' the mix, if you're feelin' the drugs
If you're keepin' it real, if you're livin' like thugs,
I spit kisses and hugs like .45 slugs
Come back on the one and kiss my love gun

Gotta look that will kill, a voice that will carry,
Half a dozen women I think I wanna marry,
Trouble on my mind, I'm refusin' to lose
Still I've gotta find someone to abuse

G **B**
So won't you run spread the news, help say the word
A -
And jump the fuck back and act like you heard

They call me white devil, black Jesus,
Heaven closes, hell freezes,
Black Jesus, White Moses,
Heaven freezes, Hell closes,

Singin' na na nana na na
Singin' na na nana na na
Singin' na na nana na na

Singin' na na nana na na
Singin'

G **F**
Waah, wa wa wa waaah

G **F**
Shoobydoo waah, wa wa wa waaah

They call me white sinner, black martyr,
Live wire, fire starter,
Jungle brother, red neck cracker,
Freak of nature, new world slacker,

Sex junkie lookin' for a dealer
You can play the leaper girl and I can play the healer

G **B**
Shit is only getting realer baby haven't you heard
 A -
that the bird, bird, bird, yes the bird is the word

They go one for the trouble, two for the time,
Three for my homies, and four for the dimes,
Singin' lemons to the lime till the break of dawn
Excuse me (every six minutes), Everlast you're on,

And they go on and on, like a rolling stone,
Baby anywhere I lay my hat is my home

They call me white devil, black Jesus,
Heaven closes, hell freezes,
Black Jesus, white Moses,
Heaven freezes, hell closes,

Singin' na na nana na na
Singin' na na nana na na
Singin' na na nana na na
Singin' na na nana na na
