

# Missing You

Everlife

(Ohh)

(Ohh)

I wake up half-way 'cross the world,  
Another day wishing were here.  
Four days, two hours, one more night,  
Until this countdown disappears.

It's been so long since I felt like I had the time  
To fall in love again.  
You're my love, you're my life, and I can't deny,  
That you're mine.

When everyone is telling me  
It wouldn't work, you're gonna leave,  
I remember, just remember.  
This is only me and you,  
We'll prove 'em wrong, we'll make it through.  
We're together, so remember,  
I'm missing you.  
Oh, I'm missing you.

The nice skies of Paris and L.A.,  
Without you they look the same.  
A photograph that I'm looking at  
Is the closest that we'll be for now.

You're the reason that I'm strong enough to say  
That you're the only one,  
That I know I could trust to hold my heart  
'Til I'm back.

When everyone is telling me  
It wouldn't work, you're gonna leave,  
I remember, just remember.  
This is only me and you,  
We'll prove 'em wrong, we'll make it through.  
We're together, so remember,  
I'm missing you.  
Oh, I'm missing you.  
Oh, I'm missing you, yeah.

(Uh-oh, oh-oh, whoa)  
(Uh-oh, oh-oh, whoa)  
(Uh-oh, oh-oh, whoa)  
(Uh-oh, oh-oh, whoa)

Whoever said that,  
Absence makes the heart grow fonder,  
Forgot to mention,  
How hard it really is.

When everyone is telling me  
It wouldn't work, you're gonna leave,  
Just remember.  
This is only me and you,  
We'll prove 'em wrong, we'll make it through.

We're together, so remember,  
Everyone is telling me  
It wouldn't work, you're gonna leave,  
I remember, just remember.  
This is only me and you,  
We'll prove 'em wrong, we'll make it through.  
We're together, so remember,  
I'm missing you.  
(Oh, I'm missing you)  
I'm missing you.  
Oh-oh, I'm missing you.  
Oh, I'm missing you, yeah.
