

E.T.

Everyone Dies In Utah

You're so hypnotizing
Could you be the devil? Could you be an angel?
Your touch magnetizing
Feels like I am floating, leaves my body glowing

They say be afraid
You're not like the others, futuristic lover
Different DNA
They don't understand you

You're from a whole other world
A different dimension
You open my eyes
And I'm ready to go, lead me into the light

Kiss me, ki-ki-kiss me
Infect me with your love and
Fill me with your poison

Take me, ta-ta-take me
Wanna be a victim
Ready for abduction

Girl, you're an alien
Your touch so foreign
It's supernatural
Extraterrestrial

You're so supersonic
Wanna feel your powers, stun me with your lasers
Your kiss is cosmic
Every move is magic

You're from a whole other world
A different dimension
You open my eyes
And I'm ready to go, lead me into the light

Kiss me, ki-ki-kiss me
Infect me with your love and
Fill me with your poison

Take me, ta-ta-take me
Wanna be a victim
Ready for abduction

Girl, you're an alien
Your touch so foreign
It's supernatural
Extraterrestrial

This is transcendental
On another level
Girl, you're my lucky star

I wanna walk on your wavelength
And be there when you vibrate

For you I'll risk it all

Kiss me, ki-ki-kiss me
Infect me with your love and
Fill me with your poison

Take me, ta-ta-take me
Wanna be a victim
Ready for abduction

Girl, you're an alien
Your touch so foreign
It's supernatural
Extraterrestrial, extraterrestrial, extraterrestrial

Girl, you're an alien
Your touch so foreign
It's supernatural
Extraterrestrial
