I can feel it Coming in the air tonight Oh Lord Ive been waiting for this moment For all my life Oh Lord I can feel it Coming in the air tonight Oh Lord Well if you told me you were drowning I would not lend a hand Ive seen your face before my friend But i dont know if you know who i am Well i was there and i saw what you did I saw it with my own two eyes So you can wipe of the grin I know where youve been Its all been a pack of lies I can feel it Coming in the air tonight Oh Lord Ive been waiting for this moment For all my life Oh Lord, Oh Lord Well i remember I remember dont worry How could i ever forget Its the first time The last time We ever met But i know the reason why you keep me silenced up No you dont fool me Cause the hurt doesnt show But the pain still grows Its no stranger to you and me I can feel it Coming in the air tonight Oh Lord Ive been waiting for this moment For all my life Oh Lord, Oh Lord
