Expire

Time tested, who could have guessed it? It was a waste of all I
've invested memories, don't mean shit to me they've all been w
atered down where the fuck are you now? In my frustration , I'm
losing patience I ended up back here again a quick fix, over a
nd out left a bad tasted in my mouth let my guard down, I let y
ou in I'm giving up never again took grip, I bit my lip took an
other swing it didn't work out, it never works out I'm done try
