

## Cop Cars

Exploited

Meanwhile, Meanwhile Cops are after me  
Meanwhile, Meanwhile Cops are after me  
Meanwhile, Meanwhile Cops are after me  
Here they come

You go to a pub a public place  
They call you a sob you get in a fight  
They draw their guns and they fuck you up  
Then they put you away for life

I hate cop cars  
I hate cop cars  
Meanwhile, Meanwhile  
I hate cop cars

Downtown they want you to listen  
Get moved on when you make phone calls  
They don't care if their wrong or right  
They don't care if your sods or cunts

I hate cop cars  
I hate cop cars  
Meanwhile, Meanwhile  
I hate cop cars

Let's hear ya!  
I hate cop cars  
I hate cop cars  
I hate cop cars  
I hate cop cars!

You go to a pub a public place  
They call you a sob you get in a fight  
They draw their guns and they fuck you up  
Then they put you away for life

I hate cop cars  
I hate cop cars  
Meanwhile, Meanwhile  
I hate cop cars
