Cop Cars

Exploited

Meanwhile, Meanwhile Cops are after me Meanwhile, Meanwhile Cops are after me Meanwhile, Meanwhile Cops are after me Here they come

You go to a pub a public place They call you a sob you get in a fight They draw their guns and they fuck you up Then they put you away for life

I hate cop cars I hate cop cars Meanwhile, Meanwhile I hate cop cars

Downtown they want you to listen Get moved on when you make phone calls They don't care if their wrong or right They don't care if your sods or cunts

I hate cop cars I hate cop cars Meanwhile, Meanwhile I hate cop cars

Let's hear ya! I hate cop cars I hate cop cars I hate cop cars I hate cop cars!

You go to a pub a public place They call you a sob you get in a fight They draw their guns and they fuck you up Then they put you away for life

I hate cop cars I hate cop cars Meanwhile, Meanwhile I hate cop cars
