He's got the eyes I can't forget
His lips, I always long to kiss
His arms hold me, oh, so tight
Here's a toast to our new love
And I, I'll tell the world who my love is
I'll tell the world who my love is
Extra, extra

He says the things I long to hear
The inspiration of my dreams
Your seasons all I always see
No, holding back my love is wrong
And now, you'll know who my love is
