Whoever said that big boys don't cry
You say you never shed a tear
Well, listen that's a lie
We're all defenseless
When it comes to pain
I said boys and girls alike yeah,
We're all the same

It's my party
I'll cry if I want to

Big boys don't cry
As if nothing seems to matter
Big boys don't cry
Then why do I
Big boys don't cry
Because nothing in this world
Ever matters
Big boys don't cry

Hey, I'm not ashamed To say a tear Is in my eye Because another tear Will take its place Before I die
