Teacher's Pet

My formal education Never bothered With my ABC's Teacher student relation Taught me all about The birds and bees

School boy fantasy Lose control Of all my faculties

You know that one thing That got through to me Was her body chemistry

Subject to body language Ain't so bad to read Between the lines I scored above average Oral examination Is where I shine

School boy fantasy Lose control Of all my faculties Student body graduated At the highest degree

You know that one thing That got through to me Was her body chemistry Purely scientifically Studied her anatomy

Teacher's pet, Teacher's pet God only knows what you Do to me Extreme
