

Hostile Defiance

Exumer

Life unfolds in different ways as it starts to grow
Leisure on my consciousness bears a single blow
Deep I feel it throbbing now it's so close and dear
Cutting sharp a dialogue of savagery and fear

MEAN AND HOSTILE DEFIANT AND LOW

Contrition sets wavering states a lie becomes fate
Denigrate the meaning still the lingering taste of hate
Deep I feel it throbbing now it's so close and dear
Cutting sharp a dialogue of mockery and fear

WE ARE MEAN AND HOSTILE DEFIANT TO THE END
WE WERE BORN IN EXILE BLEED OUT YOU CAN'T DEFEND

MEAN AND HOSTILE

BLEEDING OUT YOU CANNOT DEFEND/BLEEDING OUT WILL NOT DEFEND

HOSTILE DEFIANCE

Pressure strikes in various ways vitals start to fade
Loss of self not bearable resemblance of a raid
Deep I feel it throbbing now it's so close and dear
Cutting sharp a dialogue of blasphemy and fear

MEAN AND HOSTILE
