

King's End

Exumer

Barging forward like the wind last stand for the lost and livid
I won't see your flesh to rot formaldehyde
Lesson violent in its core a septic world to share for all
I can't neither sleep nor talk watch myself as I fall

I AM SEEMINGLY UNFORGIVING
I AM HOLDING ON TO GRIEF
I BRING DEATH TO THE LIVING
I AM ALSO WHAT YOU SEEK

Raging subtle as you squirm past sins are not forgiven
I will wake up by your side restless we turn
Blood flows forever more a needle to soothe the pain
Now we are bound in darkness watch my mind's stain

I AM SEEMINGLY UNFORGIVING
I AM HOLDING ON TO GRIEF
I BRING DEATH TO THE LIVING
I AM ALSO WHAT YOU SEEK

Tear it down
This means the king's end
This will bring death
Fear no man like a king
Save your souls and live forever
We will greet you at the gates forever more
Tear it down
This means the king's end
This will bring death
