

# Bleed

## Eye Empire

Eyes closed  
The inner workings, new beginnings  
Redefine the old

Unknown  
The higher purpose, more than willing  
I am yours to mold

Lessons learned  
And burdens carried  
Live life more than ordinary

Bleed! (Now you know you wanna)  
See! (Now you know you wanna)  
Bleed!  
This life's not ordinary

Free! (Now you know you wanna)  
See! (Now you know you wanna)  
Bleed!  
This life's not ordinary

Restrain  
The weakest thought, empty complaint  
The arrogance of youth

Your pain  
Becomes the strength by which you're made  
Embrace the hardest truth

Lessons learned  
And burdens carried  
Live life more than ordinary

Bleed! (Now you know you wanna)

See! (Now you know you wanna)  
Bleed!  
This life's not ordinary

Free! (Now you know you wanna)  
See! (Now you know you wanna)  
Bleed!  
This life's not ordinary
