

You thought you owned me
But now you can't control me
You stare into the face
Of your own mind

You know our power's growing
We're the truth exploding
We will create a life
Beyond the lies

It's time to open our eyes
First we must free our mind

It's time to wake up
It's time to wake up
It's time to rise

Though many came before us
We must trust our purpose
A loving heart
Defeats a hateful mind

We feel our power growing
We're the truth exploding
We will create a life
Beyond the lies

It's time to open our eyes
First we must free our mind

It's time to wake up
It's time to wake up
It's time to rise

It's time to wake up
It's time to wake up
It's time to rise
