See Me Bleed

F-Minus

who could see how, you'd do this. blade through the flesh, to beat us. start with the wrist, and finish. who could see how? you don't give a fuck about me. cut off my hands now you can see me bleed. no silence now, you did it. just for the money , and jewelry. reap agony, feel terrine. no silence now. you don't give a fuck about me. cut off my hands now you can see me bleed.
