

## Rocker Blues

F. R. David

Here i am in dishes and pans  
Waiting for you to come home  
Look at me now  
A one woman man  
A dog waitin for a bone

Not the way i planned  
Only a one woman man  
I bet my heart  
My heart on you  
I bet my van  
My blue suede shoes  
I would do anything for you  
Rocker blues

Gone is grass  
Gone the guitar  
No more high times and band  
Every dawn at six twenty four  
I wait for the bus at the stand

Not the way i planned  
Only a one woman man  
I bet my heart  
My heart on you  
I bet my van  
My blue suede shoes  
I would do anything for you
