

# Beautiful

Fade

It's so beautiful in my head  
It's so beautiful in my head

Fallen miracles finding myself  
In the darkness I seek light  
Crawling under hidden feelings  
As I sit here I feel free

It's so beautiful in my head  
It's so beautiful in my head

All of this anger is building up inside  
Feeling this rage I can hold in me no longer  
Raise yourself up to the infinite sky  
Cause you know you're right no matter what

And it hurts me here deep down inside  
It's tearing my life apart  
It's tearing my life apart

It's so beautiful in my head  
It's so beautiful in my head  
It's so beautiful in my head  
It's so beautiful in my head

It's so beautiful  
so beautiful in my head

It's so beautiful in my head  
It's so beautiful in my head  
It's so beautiful in my head  
It's so beautiful, beautiful,  
beautiful, beautiful, beautiful,  
beautiful, beautiful in my head
