Dancing All Alone

Faderhead

Dark smile
Dark mind
Dark soul
Dancing in the corner
All alone

There's a darkness of soul
(There's a darkness of soul)
But she smiles all the time
(But she smiles all the time)
She moves better than most
(She moves better than most)
She will ever be mine
(She will never be...)

Dark smile
Dark mind
Dark soul
Dancing in the corner
All alone

Dark smile
Dark mind
Dark soul
Dancing in the corner
All alone

There's a darkness of soul
(There's a darkness of soul)
But it's the way that she like
(But it's the way that she like)
It's the night unful
(It's the night unful)
She keeps dancing all alone
(Dancing alone)

Dark smile
Dark mind
Dark soul
Dancing in the corner
All alone

Dark smile
Dark mind
Dark soul
Dancing in the corner
All alone
All alone

Dancing in the corner
All alone

Dark smile
Dark mind
Dark soul
Dancing in the corner
All alone

Dark smile
Dark mind
Dark soul
Dancing in the corner
All alone
