

Crazy (Interlude)

Faith Evans

112

Woo

Oh, woah

Yeah, yeah

Oh, woah

Hate sudden lies, I'm lost without you

My baby, my baby

I know there was a lot of craziness going around

And this shit got really crazy for me Christopher

Niggas that were both so they can go get crazy together, get crazy together

Oh

Oh, woah

Without you

Oh no, woah

Woah, oh, woah
