

# Fool for You

Faith Evans

If you really need to know how I feel about you, baby  
Just let me put this on your mind

You know there's never been a question  
The way we feel about each other  
From that moment you made me laugh  
I knew I was falling in love  
Oh, if I could do it again  
I wouldn't change it for nothing  
You're a very special part of my life  
You took me hand in hand  
And made me your wife

I don't care if people say that I'm a fool for loving you  
'Cause your love (it takes me up to the sky)  
And it feels (so good that I can't deny)  
'Cause my heart (it's on a natural high)  
And I just can't deny what I'm feeling inside  
'Cause your love (it takes me over the Moon)  
And I won't (ain't coming down no time soon)  
I can't see me without you  
And I'm telling you  
Listen to me baby

The way you shower me with affection  
Your presence is a blessing to me  
You're so unselfish with your love  
Ooh, you're giving me more than enough  
If I had to do it, I wouldn't change a thing, no  
'Cause you showed up right on time  
Took me by the hand  
Made me your wife

I don't care if people say that I'm a fool for loving you  
'Cause your love (it takes me up to the sky)  
And it feels (so good that I can't deny)  
And my heart (it's on a natural high)  
And I just can't deny what I'm feeling inside  
'Cause your love (it takes me over the Moon)  
And I won't (ain't coming down no time soon)  
I can't see me without you  
And I'm telling you  
Listen to me baby

I will never stop loving you, no  
While you make me feel so brand new  
Another one, all I need  
All I want is my life  
That's why I don't care  
I don't care if people say  
That I'm a fool for loving you

Your love (it takes me up to the sky) it takes me up to the sky  
(So good that I can't deny) And it feels good I can't deny  
(It's on a natural high) And I'm on a natural high  
And I just can't deny what I'm feeling inside  
'Cause your love (it takes me over the Moon) it takes me over the Moon

(Ain't coming down no time soon) And I ain't coming down no time soon  
(I can't see me without you) Just can't see me without you baby  
And I'm telling you  
Listen to me baby

No I don't really care if people say  
That I'm a fool for loving you, no
