

# Get Over You

Faith Evans

I can remember the day and time that we broke up  
It was December and the holidays were coming up  
I didn't expect to lose all of the time I shared with you  
But now that it's gone I find myself longing for you

No doubt about it I'm sorry for the way things worked out  
If I could change it I would change it but I don't know how  
Ooooooooooooooooooooo  
(No I can't ain't no need to cry when I know the reason why)  
You chose to leave me but I still wish you were here with me

It's true I can't get over you  
No matter what I do  
Even if I try I, I can't get over you

I can remember calling your phone and hanging up  
Cause I was too afraid to talk, if by chance you picked it up  
But now that I've thought about it,  
I'd feel better if we talk about it  
And let you know what's on my mind  
See I wanna try to make things right.

Lately I've been doing some reminiscing  
I'd be lying if I said that I don't miss you  
I have feelings from deep in the past  
Cause now I need you back  
It wasn't so bad

I can't get over you  
I can't get over you  
No I can't get over  
Said no way I can't get over  
I can't get over you  
Alright yea yea
