

You Gets No Love

Faith Evans

What

I know it's not the ghetto
I know it's not the ghetto
I know it's not the ghetto
I said I know it's not the ghetto

You betta check yourself, respect yourself
You betta go for self
Because I flow for self (You gets no love from me)

I tell you why there's no love
Simply you're not cool enough
For what we had between us
Don't you know you lost my trust

People ask me where you been
And I tell them were just friends
Cause it's so obvious the that it's
never gonna work for us
Oh no

Played with my emotions, you gets no devotion (You gets no love)
You can't even be my friend, and you gets no love again (You gets no love)
Whatever you do, it will come back to you (You gets no love from me)

Tell you why we can't hook up
Cause I had about enough
Hearing all the lies you tell
Boy I thought I knew you well

People think that you're my man
They don't even understand
Just because i let you get some that don't make you the one
We ain't even in love
You know that you played

Play with my emotions, you gets no devotion (You gets no love)
You can't get no love from me
You can't even be my friend, and you gets no love again (You gets no love)

You better
Rock my shit
Don't knock my shit
Because I got the shit
To make you cop my shit (you gets no love)

You better
Rock my shit
Don't knock my shit
Because I got the shit
To make you cop my shit (you gets no love)

I'm the
Diva with clout
Everybody rap about
Check it out

Rhymes I buss 'em,
Problems with my life
Don't discuss 'em

Boy we had a cool relationship
But you couldn't handle it

Played with my emotions, you gets no devotion (You gets no love)
You can't even be my friend, and you gets no love again (You gets no love)
Whatever you do, it will come back to you (You gets no love from me)

Played with my emotions, you gets no devotion (You gets no love)
You can't even be my friend, and you gets no love again (You gets no love)
Whatever you do, it will come back to you (You gets no love from me)
